BILL GETTINGS, CFP , PRESIDENT

***"We are at our best when we listen, and getting to know you is one of the greatest joys of our profession. It helps us to create the future you want with your investments. At Gettings Reed, we always remember it's your money, your plan – and we take that responsibility very seriously."***

Meet our team, left to right: Jim MacDonald, Sherri Marcus, Emily Burks, Bill Gettings, Scott Busch.

## Gettings Reed Financial Your Portfolio, Managed.

Whether you've grown your wealth over the years or it's come to you recently, you need advice you can trust. With over forty years experience, Gettings Reed Financial has the tools and expertise to manage your financial future, tailored to your unique goals. We get to know you, your needs and use the latest technologies and research to create, enhance and preserve your wealth.

### Data driven risk management.

Market cycles change, new technology emerges and information circulates— we're here for it all so you don't have to be. Our team has access to the top global financial research firms, their technology and data support to build your portfolio.

### Independent advice, with your best interest in mind.

Having our finger on the pulse of market technology information doesn't cost you more. We keep our fees low so we can stay focused on your goals. How do we do that? We are not distracted by sales goals or proprietary products. We are flexible so we can find solutions that are right for your specific needs.

Knowing you have a financial team with your best interest in mind-- why wait? Give us a call today so we can help you manage your wealth tomorrow and for years-- or generations to come.
